

CDF/Placer County Fire

Placer County Fire Hazard Mitigation (Chipping) Program

Mailing Address CDF/Placer County Fire Hazard Mitigation Program
13760 Lincoln Way
Auburn, CA 95603

Phone Number (530) 889-0111 ext. 3 message phone

Program Goal: To provide the residents of Placer County a FREE chipping service to assist in their fire hazard reduction efforts from large flammable piles to small biodegradable piles

Homeowner Defensible Space (PRC 4291 Compliance) Chipping Support

The chipping program is designed for residential use only **NO BUSINESS OR COMMERCIAL USE.**

Chipping to occur along road/driveway or area allowing the crew to work alongside the pile safely.

All material to be chipped (**no poison oak**), shall be placed along the edge of the road/driveway with the cut ends (stobs) pointing towards the road. Stem diameters less than 12 in. **No dozer or tractor piles.**

All material chipped will be blown back onto the property

To arrange for chipping service, parties shall call the above phone number or mail the below request to the above address. **Chipping is completed on a rotational basis throughout the county. No appointments are made.** Phone calls are returned only if additional information is requested.

I am interested in scheduling the CDF/PCF chipper to reduce my cut and piled brush and slash into chips that will be deposited back onto my property and/or I would like someone to call me with more information concerning the above (check one of the below).

- () Call me with more information
- () I am ready for the material to be chipped
